## PRESIDENT'S MESSAGE

In my thirty-first installment or "Wil-O-Gram" to the MW Newsletter as Leefield President, there are a number of important things to bring to your attention:

- **Happy New Year!** - On behalf of the entire Leefield Executive, I want to wish all of you a very Happy New Year! Hopefully those of us who celebrated a little too much last week are feeling a little better now and are still doing their best to live up to all those "resolutions" we made... I'd tell you a few of mine, but I've probably broken them already!
- **Leefield Christmas Party** - On December 13, 2009, Leefield held it's annual kids Christmas party for the kids in our community. What a blast it was! **Santa Claus** and his trusty elf Kaylie made a special appearance once again this year and was a big hit. We also had a Magician who entertained the kids and parents. It is important to remember to register your kids in advance for this event!
- **Outdoor Rink!** - Leefield once again is running the very best Outdoor Rink in Edmonton this season. Our Ice Maker **Andre'** built our two beautiful rinks and keeps a close eye on it all season ensuring the quality remains second to none. Our Rink Attendants, Bryan, Jerry, Sebastian, CJ, and Aaron are working hard to keep the rink surface in great shape, so come on our and enjoy our hockey rink and smaller rink for the little ones. Remember, it is FREE to community league members or \$2.00 per skate! No smoking or alcohol allowed on premises!
- Please remember that the Leefield Community League is made up of the people in "our" community. If you have any concerns or ideas about new programs that we might be able to offer, please feel free to give us a call at **780-463-2456** or send us an email. Don't forget to check out our cool Web Site at [www.leefield.ca](http://www.leefield.ca)

Remember, the invitation remains open for you to write to me by snail-mail or by email with your comments, concerns, questions or issues.

Food for thought for this month: "*Your perspective is the difference between an ordeal and an adventure!*"

Your proud Leefield President,

Dear Neighbour and Community Member:

As this is my first entry for the Mill Woods Newsletter following the Christmas break, I would like to welcome you back to a new calendar year. I trust that everybody had a restful and peaceful Holiday.

It is that time of year again where we are looking ahead to planning the next school year, and subsequent years. The input of our parents and guardians is a vital part of this planning process. During the first week in February every Lee Ridge School home will receive a survey where parents and guardians can provide feedback to the school.

I am very pleased to announce our continued partnership with the Kiwanis Club - Oil Capital. The Kiwanis Club have kindly donated money to Lee Ridge School to support our Grade Six Leadership Team for the school year. As well, they will support our Character Education Plan through the Terrific Kids program. We are appreciative of Mr. Gerry Sawyer and all of the Club members for their support. Mr. Sawyer, a member of the Kiwanis Club, will be regular presenter at our monthly assemblies. Our assemblies are open to the public. Please check out the dates on our web site @ <http://leeridge.epsb.ca> to check out the calendar if you would like to attend. Usually, the assemblies are held on the last Thursday of each month.

The school year is just about half over and our staff continues to work extremely hard at maintaining the vital work that they have been entrusted to guide: our student's focus on academics and citizenship.

During December students discussed and practiced different ways to show important character traits including things that can be done at school, at home and in our community. For the month of January, we will change our focus to include the character traits of cooperation and fairness. These are important traits that we know Lee Ridge students are already practicing on a daily basis.

Please feel free to telephone if you have any concerns or questions.

Sincerely,

Nigel Butterfield, Principal
