Welcome to Burnewood's Parent & Tots

My name is Heidi Reppert and I will be the leader for this year's playgroup. I have my Level 1 Childcare and over 7 years experience in running my own Dayhome. I have a genuine love for children and believe learning through play in a group setting, is a great way to develop your little one's social skills, imagination, and creativeness. Our playgroup will be run on a co-operative basis with the expectation that parents help out with snacks, crafts, special activities and clean up duties.

I hope there is fun to be had by all.

With the following few rules, I ask for your cooperation to ensure the enjoyment for everyone:

- Indoor shoes required in all seasons. (in case of fire)
- You will need to stay at the hall with your children.
- You must be with your child at the craft table in case help is needed and for his/her safety
- Sign up on the duty list to help the program run smoothly.
- No nuts or peanut products please.

Effective October 1, 2009

Cost:
 \$3.00 / Family for C. L. Members
 \$5.00 Non-Members and Family Day Homes (max 4 children)

Methodology

Sportball is a unique non-competitive sports program for young children between the ages of 16mths - 10yrs that recognizes the importance of developing fundamental movement skills in the early years.

Sportball programs focus on 7 popular ball sports: Hockey, Soccer, Basketball, Baseball, Volleyball, Tennis and Golf. Children are taught the fundamental skills of each sport and have the opportunity to practice and refine these skills individually and in game situations.

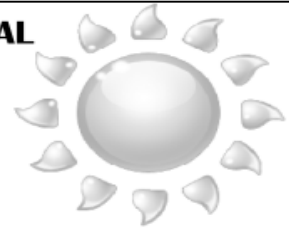

Programs are carefully designed and focus on improving gross motor skills, physical strength, social skills and self-esteem. Through creative instruction, customized sports equipment and positive encouragement, children have the opportunity to learn and participate in sport in a fun and exciting environment.

the Spirit of Burnewood Sponsorship Program

Burnewood Community's motto is "**Life is Good in Burnewood**" and it's hard for the majority of us to disagree with this statement. We have great schools, plenty of green space for recreation and a strong community spirit that provides a safe environment for our children to thrive in. There are still some opportunities, however, that are beyond the reach of some of our families. We believe that every child should have the opportunity to have a healthy and active life! To help achieve this goal, the League has established a Program Sponsorship Initiative called the "Spirit of Burnewood". This initiative will

allow children from families who have limited financial resources to participate in sports and recreational activities.

The scope of this program will initially be limited to programs run by the League. These **programs include gymnastics; ballet, hip hop and jazz dance, karate do, art, filmi dance and/or parents and tots**. If the program is successful, it maybe extended to cover Children's programs such as soccer and hockey.

This initiative will provide free registrations in the childrens programs highlighted above. To quality children must be 18 years of age or under and a resident of Burnewood. The child's guardian(s) must also be able to demonstrate that their financial situation is preventing them from registering their child in these types of activities. Asking for help is sometimes hard so our aim is to make the registration process as unintrusive as possible. Burnewood Community League reserves the right to refuse an application without explanation and without recourse.

If you would like to take advantage of this program please contact Rocky Hanson @ pres@burnewood.ca, or by mail at **4118 - 41 Avenue, Edmonton, AB, T6L 5Y6**.

"Together we can make a difference in a child's life."
